

A global technology company faced a pressing question: How could they ensure that new Eloqua users received the necessary training without distracting seasoned users from their own tasks? Here's how we helped.

---

You can efficiently and effectively bring each new team member up to speed with excellent training options, even in a fast-paced environment. Streamline your process without sacrificing quality with these top-notch Oracle Eloqua training options.

Laura Mullen from First Tech Federal and Sam Caram from 4Thought Marketing talk about optimizing Eloqua data imports, prioritization, and personalization.

---

Onboarding a new Eloqua user requires sufficient time from an ever-increasing workload. Additionally, when staff turnover occurs, the process must be repeated, training new users as quickly and effectively as possible.

---

Marketing success hinges on two critical factors: your customers and your team. Unfortunately, many marketers tend to prioritize the former while neglecting the latter.
